

MSH UK

Policy on fundraising

Updated – 22 December 2016

1. Policy

On 20 December 2016, the MSH UK Trustee Board discussed the policies that the charity should adopt in respect of fundraising.

Since the Institute of Fundraising has prepared a comprehensive set of policies and related guidance, MSH UK has adopted this approach as the charity's policy and works to implement these standards in a practical way, consistent with the charity's limited resources.
